WHAT ARE PANCAKES?

Pancakes are the very old beginnings of bread and pastry and are made by people of all nationalities. Generally, a pancake is any kind of batter fried or baked in a skillet, on a griddle or any hot surface. Today pancakes are enjoyed for breakfast, lunch or dinner and even for dessert.

The Original Pancake House was founded in 1953 by Les Higget and Erma Huenke. Drawing upon their many years experience in the culinary field and their comprehensive working knowledge of authentic national and ethnic pancake recipes, they were able to offer without compromise this unique and original menu. This menu has gained national acclaim and remains unchanged to this day. In 1999, The Original Pancake House in Portland, Oregon received the James Beard Award in the category of “American’s Regional Classic Award.”

Our batters are all made from scratch, everyday, and are all carefully prepared and blended by hand using only the very freshest and finest quality ingredients available. Their preparation takes time and special care and the results are well worth the effort.

Our recipes demand only the highest quality ingredients such as 93 score butter, pure whipping cream, fresh Grade AA eggs, the finest plump blueberries, hardwheat unbleached flour and our sourdough yeast. Our recipes are adapted from our carefully guarded original recipes—come this light & fluffy oven-baked German pancake, Granny Smith apples & Sinkiang cinnamon glaze.
